28 JUL 1983

MEMORANDUM FOR: Chief, COMSEC, DND/OC

FROM: [REDACTED]

STAT

Acting Chief, Administrative Staff, ICS

SUBJECT:

Procurement of DEST Optical Character Reader

1. As suggested by [REDACTED] of your staff, I am writing to advise you of our plans to purchase and install a DEST Model 202 Optical Character Reader as a peripheral device attached to the WANG Alliance system to be installed in [REDACTED]

STAT

20505. I understand that although the Model 202 has not yet been TEMPEST approved, waivers have been granted for components within the Central Intelligence Agency of the currently available commercial version. I request that our installation, currently planned for September 1983, be approved with a temporary waiver. When a TEMPEST version is available, we would make the appropriate upgrade.

STAT
STAT

2. The Model 202 was ordered under ICS requisition number 1501-83202-119 (copy attached).
